MULTIPLE INDUSTRIES LTD.

QUALITY BUILDING MATERIALS YOU CAN TRUST SINCE 1991

INNOVATIVE DESIGN & HIGH QUALITY PRODUCTS

With 20 years of experience in the bathroom industry VADO has built a proud reputation in exceeding customer expectations, and constantly striving to provide the marketplace with innovative and high quality products.

MANUFACTURED TO WORLD STANDARDS WITH PRODUCT GUARANTEE

All VADO products are manufactured to the highest industry standards and are guaranteed against defects in construction and chrome plating for 12 years. VADO is proudly associated with **MULTIPLE INDUSTRIES LTD** as their sole agents and distributors in Uganda.

CARE INSTRUCTIONS

VADO fittings have a high quality finish and should therefore be treated with care to maintain their surface quality. All surface finishes will wear if not correctly cleaned. The only correct and safe method of cleaning these surfaces is to use a soft damp cloth immediately after use.

If necessary, stains can be removed using a mild domestic washing up liquid. All proprietary bathroom / kitchen cleaning powders and liquids contain abrasive (even the so called "non-scratch" cleaners) and will cause damage to plated surfaces. Failure to follow the above advice will affect your guarantee.
