Since 1896, Ideal Standard has become a world leader in bathroom design and manufacture through a combination of the highest quality design, innovative technology and skilled craftsmanship.

Many of our products contain innovative safety, water and space saving features to provide bathrooms equipped for modern day living.

Ideal Standard in partnership with **Multiple Industries Ltd**, their Authorised distributors in Uganda, bring to you bathroom excellence in both form and function.

Each piece is the culmination of a lengthy development process involving some of Europe's leading designers. For the complete bathroom, live the ideal with Ideal Standard.

Space

The Space concept is not just about innovative products – it's about inspiring you to look afresh at the space you have.

Sophia

Simplicity of forms reflects beauty, thus providing the perfect choice for a bathroom in today's world.

San Remo

San Remo Collection is designed to offer convenient sizes to fit almost any bathroom.

Tesi

TESI - Modern by Nature, designed by Robin Levien, one of UK's most consistently successful product designer of the last 25 years.
